

BRING YOUR DENTAL COVERAGE WHEREVER YOU GO

Blue Cross Blue Shield FEP Dental offers comprehensive dental coverage to federal employees, retired federal employees, retired uniformed service members and their families. With the BCBS FEP Dental app, we can help you get more out of your coverage no matter where you go.

Search in-network doctors

Find in-network dental providers based on your current location or search by city or name.

See your benefit, coverage and claims information

View your plan type, benefit levels, deductibles and maximums. Check the status of your most recent dental claims and those of your dependents.

View your member ID card

Use your phone as a digital member ID card or request a new one. You can also email your member ID card to your dentist or a dependent right from the app.

Find pricing information

Dental plan premiums and costs are based on where you live. Use our easy-to-use tools to find your premium amount and average costs for dental services in your area.

DOWNLOAD THE APP TODAY

BCBS FEP Dental is available on the App Store[®] and on Google PlaySM. You must be a member, 18 or older, and have a BCBS FEP Dental account to access most of the app's features. Here's how to get started:

- 1 Visit the App Store or Google Play and search for **BCBS FEP Dental**.
- 2 Download the app and sign in using your BCBS FEP Dental username and password.
- 3 If you don't already have a member account, you can create one at bcbsfepdental.com.

ACCESS MORE GREAT FEATURES

Use the tooth brushing timer

Browse dental wellness articles

Find upcoming virtual and in-person BCBS FEP Dental events to learn more about dental health and coverage

Use our simple AskBlueSM BCBS FEP Dental Plan Finder tool to get a plan recommendation based on your dental care needs

Your privacy and security is a top priority

The BCBS FEP Dental app uses the latest security technology to protect your personal health information. You must enter your username and password each time you access the secure member portal via the app. No personal health information is ever stored on your device.
