MEMBERS HAVE MORE CHOICES, AT HOME OR AWAY

Wherever Blue Cross Blue Shield FEP Dental members live, work and visit, they can count on in-network dentists to be there for them when they need care. This dental network is different from the Blue Cross and Blue Shield Service Benefit Plan network. BCBS FEP Dental members have access to:

Over
488,000
provider access points¹

A network of dentists
that has grown
25%
over the past 5 years²

One of the largest national networks with dentists in all 50 states

When you're a member, you get access to the dental networks of the local BCBS companies—giving you robust access nationwide.

Plus international dental coverage you can count on

You are also covered for dental services when you're outside of the U.S. The program includes a worldwide network of English-speaking dentists and 24-hour assistance to find one nearby.

THE NETWORK ADVANTAGE

BCBS FEP Dental gives you access to dentists and specialists across the nation. If your provider doesn't appear in the network directory, you can nominate them at bcbsfepdental.com/nominateaprovider.

Your member experience is simple and consistent no matter where in the network you receive care. Just show your member ID card and in-network dentists will file your claim for you.

IN-NETWORK DENTISTS BY STATE¹

Not sure about a specific term or phrase? These can help.

Dental Provider

An in-network dentist who participates within our provider network and provides dental services at a negotiated rate.

Provider Locations

The physical space or office where a member can see an in-network dentist and receive dental services. Please note, a provider may offer services at multiple locations.

Provider Access Points

This combines the number of locations and participating dentists a member may see as in-network.
